

## What can you do?

- 1. Reach out and set up a call or a meeting to the members of your national Country Coordinating Mechanism** (you can find contacts (name, title, email and phone nr.) on GF website > where we invest > countries > choose countries > contacts );
- 2. Discuss current procurement/registration laws and procedures** – what drugs are now procured with GF assistance, what will happen after the GF withdrawal, what are possible obstacles, what CSOs/TB activists can do to help etc.
- 3. Reach out to the GF Board with your questions** - 3 out of 20 members are CSO representatives - Communities, Developed Country NGOs, and Developing Country NGOs - <https://www.theglobalfund.org/en/board/members/#focal-points>
- 4. Share information with international and regional partners** – MSF contacts in country, Global Fund Advocates Network, TBEC (via listserve, Secretariat).
